PROFESSIONAL EXPERIENCE

---

**Universal Ethos Inc. – Worldwide August 2020 – Present**

*President*

- Conduct interactive professional trainings to foster critical thinking.
- Provide consultation and coaching to social service providers and agencies.
- Supervise mental health clinicians and social service providers for professional development.
- Provide short and/or long-term individual and family therapy to individuals/families seeking to improve their mental health and relationships.

**Sycamores – Los Angeles County, CA March 2025 – Present**

*Full-Time Implementation Specialist*

*Supervisor: Eleanor Owen, LCSW.*

- Coordinate, develop, implement, and train on behavioral health-related trainings and consultation.
- Manage all LACDMH PEI-Approved EBPs used within the agency.
- Oversee the EBP Lead Program.
- Work with Clinical Training department leadership to provide management and oversight of training funds and contracts allocated for training-related activities (i.e. LACDMH Training funds, private grants, etc).
- Provide supervision of Clinical Training and Implementation department staff as assigned.
- Support grant writing opportunities that align with the vision and mission of the agency and Hathaway Center for Excellence (HCFE).
- Support fiscal sustainability of the HCFE by providing training and consultation through awarded local and federal grants, and external consultation contracts.
- Collaborate with staff, prepare, submit and deliver conference presentations.
- Provide clinical supervision for pre-licensed direct care staff and interns.
- Manage and oversee Student Intern Program.

**Sycamores – Pasadena, CA April 2024 – March 2025**

*Part-Time Clinical Consultant and Supervisor*

*Supervisor: Andie Gonzalez, LCSW.*

- Supervise Managed Care Plan (MCP) Lead Care Managers (LCMs) with caseloads of approximately 35-45 members each.
- Provide clinical oversight and guidance for best practice treatment outcomes.

- Review documentation of staff daily, as well as charts to ensure documentation meets agency standards, and ensure that staff bill for all allowable services within agency standard for productivity and latency.
- Collaborate with HR regarding any employee performance issue, and/or employee related issues with staff.

**Sycamores – Pacoima, CA April 2019 – April 2024**

*Full-Time Lead Clinician and Clinical Supervisor*

*Supervisor: Patricia Moya, LMFT.*

- Provide mental health therapy to children and youth ages 0-25 across various programs including Outpatient Mental Health Services, Wraparound, Full-Service Partnership, and Therapeutic Behavioral Services.
- Conduct full child and adult mental health assessments.
- Provide crisis intervention as needed.
- Supervise Clinicians and Community Wellness Specialists with caseloads of approximately 15-20 clients each.
- Review clinical documentation of staff daily, as well as clinical charts to ensure documentation meets agency standards, and ensure that staff bill for all allowable services within agency standard for productivity and latency.
- Collaborate with HR regarding any employee performance issue, and/or employee related issues with staff.
- Work with the referral teams to identify Clinicians and CWS to assign consumers to and in what funding bucket.
- Serve on on-call back up supervisor rotation and LPS rotation (administer involuntary psychiatric hold applications) as assigned.

**Hillview Mental Health Center – Pacoima, CA April 2018 – March 2019**

*Full-Time Psychiatric Social Worker II*

*Supervisor: Oscar Magdaleno, PhD.*

- Provide long-term (up to 18 months) mental health therapy to individuals 16 and over with mild to moderate mental health symptoms.
- Provide brief mental health therapy (ten sessions) to individuals in the following programs, RRR Tier 2, RRR Tier 1, Outpatient, FSP, and MIST.
- Conduct full mental health assessments and MMSE as needed.
- Conduct outreach and provide mental health groups to community partners.
- Provide bi-weekly senior support groups regarding various mental health topics.
- Provide crisis intervention as needed.

**Homeless Health Care Los Angeles – Los Angeles, CA January 2018 – April 2018**

*Full-Time E6 Team Lead Clinician*

*Supervisors: Erika Aguirre-Miyamoto, LCSW*

- Serve as the mental health consultant on multidisciplinary street outreach team addressing homelessness within Los Angeles County.
- Provide crisis intervention, temporary mental health support, and link clients to housing and supportive services to eliminate homelessness in Los Angeles County.

- Provide weekly clinical supervision to multidisciplinary treatment team members and facilitate daily treatment team meetings.
- Develop relationships and collaborate with representatives in other agencies to support clients in attaining services such as housing, mental health care, medical treatment, financial assistance, legal advocacy, etc.

**Homeless Health Care Los Angeles – Los Angeles, CA October 2016 – January 2018**

*Full-Time Training and Education Lead Trainer*

*Supervisors: Jen Tougas, LCSW, Erika Aguirre-Miyamoto, LCSW & Amber Roth, M.A., LCSW*

- Coordinated and facilitated professional trainings and workshops to community partners in various behavioral health, public health, and medical subjects to eliminate homelessness within Los Angeles County.
- Adapted and updated existing training materials in order to comply with contractual and agency requirements including components to be available online, as well as participated in the overall evaluation of the program services and data collection for reporting by maintaining accurate information in program participant files.
- Networked and collaborated with community-based organizations to market and facilitate available agency trainings, and created and updated database, assembled training packets, and completed appropriate documentation associated with CEU distribution and record keeping.
- Provided ten direct line service staff with an hour and a half of non-clinical group supervision on a bimonthly basis.
- Revamped and expanded agency's Wellness Program to include wellness activities (i.e. yoga, mindfulness meditation, etc.) facilitated by internal staff to help prevent burnout and improve staff morale.

**Casa Pacifica – Camarillo, CA January 2015 – September 2016**

*Full-Time Intensive Family Services (IFS)*

*Family Case Manager*

*Supervisor: Marcie Kullback, LCSW*

- Connected children and families to community resources to help support their needs in maintaining a healthy and stable home environment, as well as provided family with crisis intervention and de-escalation.
- Completed full mental status exam with youth and created a mental health treatment plan accordingly.
- Coordinated the development and implementation of individualized service plans in order to educate children and families on mental health wellness and avoid future involvement within the child welfare system.
- Served as part of a multidisciplinary team and integrated and ensured the involvement of all persons in the youth's immediate and extended support systems.
- Carried a caseload of 8-10 families, including monolingual Spanish speakers.

**Casa Pacifica – Camarillo, CA July 2015 – June 2016**

*Per Diem Children's Intensive Response Team (CIRT)*

*Clinical Case Manager*

*Supervisors: Norine VanderHooven, LCSW, & Erick Elhard, BCBA*

- Responded to crisis calls via suicide hotline and provided specialized crisis intervention.
- Responded to phone calls in person if crisis could not be contained by phone and provided a mental health assessment of the youth's safety and the safety of others around them.

- Completed a safety plan with a youth if possible. If not, placed the youth on a psychiatric hold and located a bed in an inpatient psychiatric facility within California.
- Provided youth and family with resources.

**Casa Pacifica – Camarillo, CA May 2013 – January 2015**

*Full-Time Therapeutic Behavioral Services (TBS)*

*Specialist and Program Lead*

*Supervisor: Marcie Kullback, LCSW*

- Provided seriously emotionally disturbed (SED) youth with behavioral interventions such as identifying coping skills to manage fluctuating emotions.
- Coached primary caregivers of SED youth to better meet the youth's needs and how to address youth's behaviors through appropriate disciplining techniques.
- Assisted at risk youth in building proactive skills to veer away from behaviors such as verbal and physical aggression and unsafe behaviors.
- Provided on the job training to new employees as a field trainer.
- Supervised and assisted program specialists with interventions with their clients to teach clients new coping skills that prevent placement disruption or loss.
- Provided program specialists with weekly supervision for an hour.
- Facilitated monthly treatment plan meetings to discuss client's progress, success, and areas of improvement.
- Served as part of multidisciplinary team.

**Ventura Youth Correctional Facility (VYCF) – Camarillo, CA September 2012 – May 2013**

*Social Work Intern (720 hours)*

*Supervisors: Carla Vasquez, LCSW, & Jennie Dillon, LCSW*

- Provided six incarcerated youth with individual psychotherapy.
- Engaged youth in group activities to teach coping and pro-social skills.
- Identified resources for youth to utilize after reintegration into the community.

**Casa Pacifica – Camarillo, CA September 2011 – May 2012**

*Social Work Intern (480 hours)*

*Supervisor: Jill Borgeson, MSW*

- Facilitated family connections for four foster youth.
- Engaged foster youth in rapport building activities due to brief short-term services.
- Empowered foster youth to succeed academically and socially through rapport building and coping skills interventions.

**The Conway Agency – Sherman Oaks, CA February 2011 – September 2011**

*Full-Time Behavioral Therapist*

*Supervisor: Jennifer Trujillo*

- Provided behavioral therapy to six children living with Autism or Down syndrome.
- Taught children with special needs behavioral flexibility and communication, social, and behavioral skills.

**EDUCATION**

---

**M.S.W. (May, 2013)**
